RE: Thanksgiving

Dear Fr. Jose,

during the meeting of the General Government on 18/21 of the current month, we have reflected on the Intercapitular Assembly that has taken place in Alfonso (Cavite - Philippines) from 14 to 28 February.

In the name of the General Government, of the Superiors of Circumscription and of all the Brothers of the Congregation I express to you, to your Council, to all who have committed themselves more directly and to all the members of the Philippines-Macau Province a dutiful thanks for your fraternal welcome, your thoughtful assistance and excellent organization which have efficaciously contributed to the success of our Intercapitular Assembly.

We already have had manner to express this our gratitude at the end of the interchapter works through a positive final evaluation. Now we desire that to the gratitude shown by the participants be joined also the acknowledgement of all the Paulines for your exemplary dedication to the positive result of this important event of the Congregation.

In the imminence of the Holy Week, which culminates in the celebration of the resurrection of Christ, I wish you and all the Brothers of the Province a Holy Easter which, thanks to the Holy Spirit, may transform itself into energies of spiritual, community and apostolic life to continue in a life of creative fidelity to the legacy left by blessed James Alberione to us.

In the risen Christ, I greet you with affection.
